

Gingerbread Valley

By participating in the second annual Gingerbread Valley Contest, you are helping to support the services and programs provided by Valley Blood Services, Southwest County's community blood center. Valley Blood Services, a division of the San Diego Blood Bank, is the primary supplier of blood to Rancho Springs and Inland Valley Medical Centers. Blood collected in Southwest County also helps supply Rady Children's Hospital in San Diego where many local patients are treated.

Valley Blood Services donor center, located in the Murrieta Spectrum Center, 25115 Madison Ave., Ste. 105, Murrieta, is open for blood donations Tuesday through Thursday from 10am to 6pm and Friday and Saturday from 8am to 4pm.

You Can Make a Difference in the Lives of Local Patients Like Chance and Cadence.

Temecula residents, Chance and Cadence, both suffer from congenital heart defects. The brother and sister have received numerous pints of blood thus far, and will be undergoing additional surgeries in the future. You can make sure that blood is available for Chance and Cadence by donating today.
