News and Notes

What a November! We collected more red cells in November than anytime during the last five years--even more than we drew in September 2001. Collections of Total Red Blood Cells exceeded the target for November by 2,125 units. We drew 12,081 red cells units, representing 121% of our goal. Year-to-date we are slightly over 100% of our targeted collections.

The Platelet Apheresis Components collections areas met 100% of their goals for the month and are at 95% year-to-date. The year-to-date number of First Time Donors is 10,938 donors which represents 109% of our YTD goal. The Daily Inventory of Type O averaged 4.3 days of supply.

First Time Donor Retention increased to 36% in November. RBCs per Donation decreased slightly from October due to the increased numbers of donors who presented. We were at 1.08, an increase from the prior year's rate.

My thanks to each of you for your extra-efforts throughout the past two months!

January 2008 Bloodmobile Schedule

Events are subject to change.
If you would like to volunteer at a bloodmobile, please contact Leslie Eagan at: **619-400-8202**,
or leagan@bloodbank.org.

Mobiles that are listed bold and in italics have a volunteer scheduled, but you can still sign up for that drive. If there are two volunteers scheduled, one volunteer can help with registration and the other volunteer can help on the bus in the canteen. THANK YOU!
