## Mobile Blood Drives Need Volunteers!

I can't stress enough how important it is to have a volunteer at our mobile drives. They are much more successful and we are able to give our donors better customer service with you there.

I am asking you, if you don't already volunteer for the canteen or one or more mobile drives a month, to sign up for a drive! The time commitment is anywhere from three to six hours. If you need a refresher course in mobile training please call me.

From Valerie at the Crawford HS drive on 1/16/08: "Volunteer Candy so sweet, helpful and ready to work, thanks!"

From a donor at the Souplantation drive in Carlsbad on 12/22/07: "Volunteer Roger was great, enjoyed the chat!"

From Linda at the Vons/Subway drive in Rancho Penasquitos on 1/19/08: "Ted H was an excellent help, kept very busy, thanks!"

From Joanne at the Symitar drive on 1/16/08: "Thanks to volunteers John, Barbara and James for all your hard work!"

From Maria at the Starbucks Coffee drive in Clairemont on 1/12/08: "Thanks volunteer Florence for all your help!"

From donor Helen E: "Isabelle at the Upas St canteen is charming and fun to talk with, thanks for making the time fly!"

From Sunny at the Santee Wal\*Mart drive on 12/16/07: "Mae G. was super, thanks for your help!"

From donor on 1/8/08: "Volunteer Roger T. was wonderful and very friendly, thanks!"

## News and Notes

Our Total Red Cells for December 2007 did not meet our targeted numbers for the month: we missed that goal by 1181 units or 11%. Fiscal year-to-date we are at 98.5% of our goal. Imperial Valley Blood Services drew 105% of their goal and Mobiles collected 93%. Platelet Apheresis Components draw was at 91% of their monthly goal and 94% of their year-to-date goal.

New donors are coming to our collections sites at a greater rate than we had targeted! Half-way through the year, we are at 107% of our targeted goal for the period. First Time Donor Retention dropped slightly below our goal in December to 33%. RBCs per Donation have increased to 1.11.

Our blood inventory remained high for the entire month of December. The Daily Inventory of Type O blood this month averaged over 6 ½ days. Congratulations! This is an outstanding amount of inventory for the month and particularly noteworthy

during the holiday season. We were able to keep our hospitals and patients well supplied with their blood needs.

As we look forward to the next six months of this fiscal year, blood draw will be the key to our success. I thank you for your continued support of the SDBB and ask you to remember that “coming together is a beginning...keeping together is progress...and working together is a success.”

**Thank you for making a difference in life!**

### *Thank you Padres Drive Volunteers!!!!*

Thank you so much for making this year's Padres Blood Drive the best ever! We had 525 units of blood donated at this year's drive which is an increase of 13% over last year's total. It was really busy and you all helped maintain the flow of the drive beautifully. Thank You!
