Thank you !!

I have taken a new position with the San Diego Blood Bank starting March 6, 2008. I can't thank you all enough for your support and dedication to the San Diego Blood Bank. I have enjoyed working with all of you and I'm really going to miss you. You all are the best volunteers any organization can have. Every time I've needed help you have come through for me. I will see you around though, because I will be working in the recruitment department and will see a lot of you at various mobile drives. I leave you in very good hands.

Leslie

Again thank you for making a difference in *life!*

News and Notes

We drew a total of 11,868 red cell units in January, exceeding our goal by 488 donations. This represented 104% of our targeted goal. Our Mobiles did an excellent job by exceeding their goals by 109%; fixed sites that exceeded their respective red cell goals included South Bay Donor Center at 107%; East County Donor Center at 106%; Imperial Valley

Blood Services at 104% and Coastal Donor Center at 101%. Upas Street missed its target by just 2 units! Year-to-date we are at 99% of our annual RBC goal. Platelet Apheresis Components are at 94% of goal for the month and year-to-date.

Our inventory averaged over three and a half days' supply of Type O for the month.

We are having an excellent year attracting First Time Donors with 2045 of them presenting in January. Since July 2007, a total of 14,861 first time donors

have come to our donation locations, exceeding our year-to-date goal by 6%.

By practicing the WE CARE philosophy--encouraging donors to give one more time this year, thanking donors and customers, and offering suggestions for improvement--we will move forward in our mission of saving lives with quality blood services.

Thank you for making a difference in life!
