## **San Diego Blood Bank Thanks You!**

Dear Volunteers,

I would like to personally thank you for your contribution of time to the San Diego Blood Bank.

I am amazed at how much time and effort all of our volunteers donate! Since January 2007, 317 volunteers have served hours and the total number of hours served is 16,060. The canteen at the centers, blood drives and special events could not have been a success without the help of the many volunteers who donated their time.

Once again, thank you for your efforts, contribution of time, and for **making a difference in life!**

**Noemi**

Volunteer Manager

## **News and Notes**

We exceeded our Total Red Cell target for March by 4.6% (480 red cell units)! Coastal Donor Center led the collection sites with 117% of goal; ECDC was at 111%; SDBB and South Bay Donor drew 108%; and Mobiles met 102% of its target. Year-to-date through March, we collected 95,251 Red Cell units; this represents 101% of our targeted red cell collections and 9% over the last year! Platelet Apheresis

Components collections were at 94% of target. Our O inventory averaged greater than two day's supply for the month.

The number of First Time Donors was 1,990 for the month and 18,883 year-to-date, representing an increase of 105% over goal. Our awareness campaign to the community is working!
