Quarterly Update

San Diego  Blood Bank
make a difference *in life.*

Volunteer Spotlight: Ernest Villa

Ernest Villa began volunteering with the San Diego Blood Bank in June 2008 when he retired from his 40 year high school teaching career at Orange Glen High School in Escondido. Ernest says his desire to volunteer

with several organizations is a “spin-off” of the same mentality that interested him in teaching 4 decades ago—service to others.

Besides the San Diego Blood Bank, Ernest’s prolific volunteer profile includes work with Elizabeth Hospice in Escondido as a greeter at their Center for Compassionate Care. In his spare time Ernest also uses his unique talent (for a man), crocheting afghans

for Linus Project. He is a “blanketeer” for the group. Linus is a non-profit organization that seeks to provide love, a sense of security, warmth and comfort to children who are seriously ill, traumatized, or otherwise in need through the gifts of new, handmade blankets and afghans.

Ernest lives in Rancho Bernardo with his daughter and her family. He says his “trusty little red truck” gets him to all of his volunteer activities. When it comes to the SDBB he especially enjoys volunteering at the larger events, such as Comic-Con—or the Chargers drive—a love that probably comes from all of his years of practice at corralling large numbers of high school students in the right direction!

While Ernest describes his life “as rather uneventful,” we disagree. We are proud that the SDBB is one of the ‘events’ he has chosen to be part of his life!

San Diego Blood Bank is Moving!

The San Diego Blood Bank’s move to our new home at Gateway Center Drive, just south of downtown—has begun. The official address is:

*3636 Gateway Center Drive, Suite 100
San Diego 92191.*

The departments that have already settled into the new location are: Plant Ops, Recruitment, Blood-mobiles, Materials Management, the Foundation, Stem Cell Donor Center and Collection Education. Every day more activity happens around the move. Stay tuned for more information about the official relocation date for the Upas Donor Center.

Volunteer Difference Program—Changes to the Life Level Benefits and Introduction of the Life Level Lapel Pins

The Volunteer Difference program, part of San Diego Blood Bank's *Difference in Life* programs, was implemented in 2007, to provide our valued volunteers with the benefits and appreciation they deserve. Volunteers are given the opportunity to make a difference in life by volunteering their time at a mobile drive, in the canteen at our donor centers or at a special event. In addition, volunteers have the chance to earn benefits and points, based on the number of hours they donate in a *calendar year*.

There are four Life Levels with individual benefits associated with them. Following are the changes to Life

Levels 2, 3 and 4 that we hope would appeal more to our wonderful volunteers:

Life Level 2—25 volunteer hours or more, you will have access to our Volunteer Store and receive a Life Level 2 Award Pin.

Life Level 3—50 hours or more, along with the previous benefits, you will also have recognition on our Website, VIP Access to the Chargers Blood Drive autograph line and receive a Life Level 3 Award Pin.

Life Level 4—75 hours or more, along with the previous benefits, you will receive an invitation to the LL4 Donor Appreciation Event and a Life Level 4 Legend Award Pin.

Life Level Lapel Pins

We are proud to introduce the newly designed and collectible Life Level Lapel Pins! Based on the number of volunteer hours in a *calendar year*, volunteers will be awarded a lapel pin on a quarterly basis:

LL2—*Bronze*

LL3—*Silver*

LL4—*Gold*

Volunteers will receive the lapel pins, in their respective Life Level since 2009, in October along with the bi-annual Volunteer Statement. The Volunteer Statements help you track the number of hours

you are donating to the San Diego Blood Bank and the points you have accrued. Be sure to check out the list of awardees for 2009 and 2010 in the next issue of the Volunteer Newsletter!

San Diego Padres Blood Drive

Our volunteers helped to keep our 14th annual Padres Blood Drive at the Hall of Champions in Balboa Park organized and successful. The drive took place on June 18th and we collected 135 units of blood! Thanks to all who volunteered!

Volunteers are (*L to R*): Steve Pierce, Walter Panowitz, Luke Gregerson (Padres Player), Victoria Rodekoehr, Clayton Richard (Padres Player), Elvia Muñoz, Mae Goldman, Oscar Salazar (Padres Player) and Jarvie Rowden.

News & Notes

Bloodmobile Greeters and Donor Confidentiality

To help ensure the protection of all donors, it is important for volunteers to understand that all information obtain from the donor is confidential and that the privacy of the donor must be protected at all times. To comply with FDA regulations that donors must have a means of confidentiality when filling out their donor card until seen by screener. We have instituted a new Donor Registration process at blood drives:

- Volunteers should not review the donor registration form—information is confidential. The form is reviewed by the staff in the privacy of the screening booth. Volunteers are not trained in screening and therefore not equipped to answer specific donor questions.
- Donors must be seated 4' apart when completing the registration form.
- Donors must complete their registration forms without any assistance, even if it is a spouse, mother, etc.
- Volunteers can, and should:
 - ◆ Direct donor to the eligibility guidelines and other educational materials. Volunteers may point out (before Q5 is answered) that Q5 is the educational materials question.

◆ Instruct donor to complete all questions and if the donor has specific questions that cannot be answered by the educational materials, to ask the screener.

Bloodmobile Schedule: Number of "Procedures"

In an effort to ensure that the volunteer's time is respected and their assigned opportunities truly help the Collection Staff at a blood drive, the bloodmobile schedule will now include the number of "Procedures" for each blood drive listed.

The number of "Procedures" corresponds to the donor projection for that particular drive. It is listed following the blood drive time. In addition, only blood drives with a projection of 25 or higher will be listed in the newsletter. Again, to help ensure volunteer's time is respected.

Also, volunteers will be able to assist the Collection Staff and Account Marketing Managers (Recruiters) with meeting the goal for that day by recruiting potential donors at the blood drives, as needed.

From Christine at UCSD on 8/11: "James W. did it again!! Good job, James!"

From Sheila at UCSD on 8/12: "James W. is so important at these busy university drives. He helps to keep us involved with our donors on the bus & we don't have to worry about organizing them outside. From Pam at New Life Baptist Church on 8/15: "Otto S. was a big help. Thanks!"

Canteen Hosts Needed at High School Blood Drives!

The 2010/2011 High School Blood Drive season kicks off in September! If you are looking for a Canteen Host opportunity near you and not available at your local donor center, please consider signing up at one of our many high school blood drives this year.

Canteen Hosts are critical to these busy but fun blood drives. The Canteen Host monitors the student blood donors for reactions after the donation. In addition, the volunteer assists the Collection Staff by keeping them focused on the donation process and involved with the student donors.

Email or call Noemí to sign up today!

Comments and/or Feedback

Your Account Marketing Managers (AMMs) would like to hear from you! Please forward any comments or feedback to Noemí Peña.

Thank you!

Bloodmobile Schedule—September 2010

Blood drives are subject to change. If you would like to volunteer at a bloodmobile, please contact Noemí R. Peña at 619-400-8202 or npena@sandiegobloodbank.org. **NOTE:** Listed blood drives with an asterisk (*) are usually busy drives and could really use volunteers.

Mobiles that are listed bold and in italics have a volunteer scheduled, however you can still sign up for that drive if two volunteers are needed.
