◆ Donor Centers

We are so thankful to have you at our Donor Centers and really appreciate you greeting donors as they come in the front door! Sometimes our staff is not able to do so because they are busy with other donors. We rely on you not only to take care of our donors in the canteen but to greet them as well.

One of the most common suggestions on improving donor experience is having someone greet when they arrive. Here are some helpful tips you can use to help us improve:

- Greet with a wave and a hearty hello (even if it's from across the room)
- Ring the bell for the donor if you are not already doing this. You can do it for them and staff will appreciate it. I don't know about you, but I'm not a fan of ringing the bell to get someone's attention.
- Offer something to drink and a snack (it's okay for donors to eat and drink before their donation)
- Please let them know someone will be right with them.

◆ Flyer Distribution

With our Live Well San Diego 5K coming in July we need to start spreading the word! Let us know if you're available to distribute our Live Well flyers this **Saturday**, March 3rd at 8am at Embarcadero Marina North.

◆ San Diego Gulls Blood Drive

We need 3 volunteers to help us with the donor flow at an upcoming blood drive we're hosting with the San Diego Gulls. The date is **Monday**, April 2nd from 10am - 3pm at the Poway Ice Arena. You can email Mayra if you would like to sign up.

Patient Spotlight

Cassi (left hand side) was first diagnosed in September 2015 with multiple tumors in her left hip, shoulder, and both lungs, she underwent aggressive chemo and radiation treatments that often required whole blood and platelet transfusions. Cassi has learned the importance of blood donations in a very personal way, and is deeply grateful to the 50+ donors who have saved her life! However, she still faces a serious challenge: fighting the recurrence of Ewing Sarcoma in her lungs.

Cassi graduated from Hemet High in May, 2017 with Highest Academic Honors. She was active in Choir, Theater, Art, Tennis, and enjoyed creating many special memories with close friends during her senior year. Her goal is to beat cancer, attend college, and pursue her passion, and artistic gift, as a professional illustrator.

Bloodmobile Greeter Schedule - March 2018

The average time for blood drives is approximately 4 to 6 hours. To ensure that your time is respected, you can choose a **4 hour shift**. Please indicate if you would like a 4 hour shift when signing up for blood drives. "Procedures" number listed following the blood drive time corresponds to the donor projection for that particular drive. Please note, the blood drive schedule is subject to change. **If you have already signed up for a drive in March it will NOT be listed unless it needs more than one volunteer.** If anyone needs a list of what drives they signed up for and/or has any questions please give us a call.
