

## News and Notes

### **The San Diego Police called!**

The San Diego Police called Doug the 5K course race manager and mentioned how wonderful and organized our course volunteers were. In the history of all the races he's organized, this is a first. Because of this SDPD will allow a race course along Harbor Blvd. We already knew our volunteers were fabulous the police thinks so too!

### **It's time to choose your shift (s) for Chargers Drive.**

XXXVIII Annual Chargers Drive is on November 22, 2016 at the Town and Country Resort & Convention Center. Two shifts are available each 5 hours long. Starting between 7:30 and 8:30am for the morning shift and 12:30-1pm for the afternoon shift. Just a few of the volunteer assignments you may be assigned to are listed below:

- Canteen hosts
- T-shirt distribution
- Program distribution
- Donor check-in
- Donor flow director

Please let Mayra know which shift you prefer. Morning or afternoon.

All volunteers will receive an event t-shirt.

### **Zika Update**

Zika testing is now being performed on every unit collected at SDBB. Although the zika form is no longer needed with the donor card it has been replaced with a consent to research form. California is one of the states mandated to make this change now, the rest of the country will comply in November.

# Singing Your Praises

The SDBB staff members believe that all of you, our valued volunteers, are exceptional people and appreciate everyone who volunteered last month. Please read the following notes of praise that we received about you from some of our team leads, charge nurses, donors and staff.

From TL at Cooley LLP: Thank you Steve for your help today!

From TL at Bridgepoint Education: Thank you John for being our volunteer today! :)

From TL at Ajinomoto Althea, Inc.: Thank you BARB for volunteering. Great job!

From donor at Blood Mobile: John, the greeter at the blood mobile...he's awesome, professional, nice, kind and when I needed to wait due to several donors coming at once, I very much enjoyed his story. I'm known him for a few years, and that was the first opportunity we've had to talk, and I loved it.

From donor at Gateway: I'd like to recognize Don and Mary, the volunteers at the refreshment area. They are always so friendly and treat you like family.

From TL at EMMES Realty Services of California: A big thanks to James for all of his help at the drive.

From TL at NBC 7: Thanks to Walter and Rick K. for helping us.

From TL at Sweetwater High School: Thank you Dick and Lucino for being our volunteers!

From Chairperson at Gemological Institute of America: Chris the volunteer was the BEST. We would love to request her for our next drive please!!

From TL at Teradata: Thank you Lana for being our volunteer today :)

From donor at Gateway: Staff, volunteers and facility were amazing. Keep up the wonderful work!

From TL at Caltrans: Thank you to our volunteers John & Marilyn :)

From TL at O's American Kitchen: Thank you Barb for your help volunteering.

From TL at Brightwood/Kaplan College: Thank you to our volunteer Steve!

From TL at MiraCosta College: Volunteer Debbie did a great job.

From Staff at Gateway: We would like to thank all of our volunteers for helping us to staple, collate and assemble some of our materials needed for large drives and on a daily basis. This help is priceless to all of us!!

From TL at LPL Financial: Thank you to our volunteer John Sadler!

From TL at San Diego Superior Court and County: A huge thanks to James for his help at the blood drive!

From TL at Hall of Champions: Thank you to volunteers Isabella, Bryan, Tom and Walter.

From Staff Member: Jim is our Friday sunshine. Jim makes the donors feel so welcome and can hold a wonderful conversation with any of our wonderful donors.

From TL at Saint Mark's Parish: Thank you Zack for volunteering.

From donor at mobile drive: Thanks to Barb, the volunteer who greeted me outside the bloodmobile in Mira Mesa on July 12. I was a walk-in and she let me know that there may be a wait while the people who had appointments showed up. She took my number and said she would text me when an opening came. After I ran an errand across the street Barb texted me and said it would be a good time to come back and donate. She was really great and communicated very nicely. I felt appreciated as a donor...Thank you Barb!

From donor at NCDC: I would like to recognize Sandy, thanks for your help.

From donor at the City of Chula Vista Public Works Corporation Facility: Thank you Otto.

From donor at NCDC: Bev is an awesome volunteer. She makes sure everyone is properly hydrated and nourished before they leave.

From TL at Geico – Poway: Thank you Mae for helping us today.

From TL at County of Operations Center: A big thanks to both John S. and John D. for their help at the blood drive.

From TL at Federal Employees – San Diego: Thank you James for volunteering and helping recruit double red donors.

From TL at Gemological Institute of America: Thank you Chris for being our volunteer today.

From TL at SDG& E: Thank you Nancy for all of your help at the blood drive!

From TL at Jack in the Box, Inc. – Thank you Marilyn for helping us today!

From TL at SeaWorld: Many thanks to our volunteers John and Claudio.

From TL at Cubic Corporation: Thanks to John, our nice volunteer, he stayed to help us even if it was wet outside.

From TL at Stone Brewing: Thank you Debbie for your help today.

From TL at Callaway Golf: Thank you Zack. Great Job!

From donor at mobile drive: I would like to recognize Walter and Rick who help with the paperwork.

From donor at Caltrans: Everyone is great, but I love seeing volunteer John, who greets all incoming donors.

From donor at Gateway: Don and his wife were great. Very lovely people. He provided me with cold water.

From Kat and the CDC staff: "The new CDC building, while beautiful, did create some new challenges, because the canteen is no longer connected to the draw room. The small divider wall creates an obstruction so that we can't watch our donors as closely as we would like. Our CDC volunteers are amazing and they are allowing us to take care of the business at hand, while having peace of mind that our donors are being watched over. Thank you so much for being a part of the CDC family and taking care of our donors with so much care."

From Donor at Gateway: Mary W. was the volunteer on the date of my last visit, and she was very friendly and appreciative of her donors. I look forward to my next visit in part to the contribution of time given by your volunteers, and will likely ask ahead if Mary is scheduled on the day of my next appointment.

# Bloodmobile Greeter Schedule—October 2016

The average time for blood drives is approximately five to six hours. To ensure that your time is respected, an optional time commitment is available: **four hour shift minimum**. Please indicate if you would like a four hour shift when signing up for blood drives. “**Procedures**” number listed following the blood drive time corresponds to the donor projection for that particular drive. Please note, the blood drive schedule is subject to change. **If you have already signed up for a drive in October, the drive will be listed in bold with the volunteer name who is scheduled. Please note not all drives that have volunteers scheduled are listed below. Please call me with any questions. Thank you!**
