GIVE THIS WEEK AND EXPERIENCE THE JOY OF SAVING LIVES IN SAN DIEGO

As we approach the Fourth of July holiday, we are asking those who haven’t given blood recently to schedule an appointment—donate blood now to ensure adequate supply is on hand for our local community. This Fourth of July, SDBB’s Gateway Center (near downtown) and North County Donor Center (Escondido) will be open from 8 am-4 pm. Can’t donate? Share the word!

Full-Circle Wellness

Many donors purchased new toys for kids in the Viterbi Family Outpatient Clinic in the Peckham Center for Cancer and Blood Disorders at Rady Children’s Hospital—thank you for your generosity.
