DUTY, COURAGE AND COMMITMENT

Bobbie Brown, a Bonita resident, is at the Gateway Donor Center every Tuesday for one of two reasons—to donate platelets or to volunteer in the canteen. For National Volunteer Month, we shine a light on Bobbie's courage and commitment. Read her story.

THANKS TO DONORS

Gratitude

Luisa McCarthy's mom spent seven days in an intensive care unit after a possible tooth infection became a life-threatening battle. Her mom received multiple blood transfusions and recovered. Luisa is more dedicated to blood donation than ever.

LAB PRO WEEK

Discovery

Lab Professionals Week is April 21-27. Sofia Huertero, the component production lab manager at SDBB, is adventurous, positive and passionate about her work. Get to know Sofia and the integral workings of the component production lab—
ENGAGING DIVERSE DONORS
Full-Circle Wellness

Meet Mirna Kamil: A donor technician at East County Donor Center, this El Cajon resident speaks both Arabic and Chaldean. Her goal is to engage diverse donors to help more people—all while studying to become a nurse.

PUBLIC HEALTH CHAMPION
Customer Experience

SDBB is proud to be selected as the Theme Recipient of the 2019 Live Well San Diego 18th Annual Public Health Champion Award. This honor recognizes our efforts to promote health among the citizens of San Diego.
